**Bridging Community and Cannabis:
Good River Wellness Opens for Medical Marijuana Sales**

EUCLID, OH, November 21, 2023 – One of only two medical dispensaries in Euclid, Good River Wellness, LLC (“Good River” or the “Company”) has officially opened its doors for medical marijuana sales to registered patients. To commemorate this milestone, Good River will be hosting a Grand Opening and Ribbon cutting on December 1st at 1:00pm at their dispensary located at 27101 Euclid Avenue in Euclid.

“Our commitment goes beyond offering affordable medical alternatives to the patients of Euclid and the greater Cleveland area. It’s about uplifting the community, fostering economic growth, and embracing the future,” commented Robert Pease, CEO of Good River. “By offering a diverse range of quality marijuana products at affordable prices, we are not just serving consumers but also ensuring accessibility.”

Good River pledges its dedication to Euclid by championing economic development and battling the stigmatization surrounding cannabis. “This expansion will undoubtedly boost local economic opportunities, further cementing our position as a catalyst for positive change in the region,” said Kody Miller, General Manager of Good River.

The newly inaugurated location spans 2,600 square feet, meticulously designed to showcase the expansive selection of the highest quality marijuana products while ensuring patients an informative non-pressure experience. The standalone facility has over 30 parking spots and plans to implement a drive-through option later this year.

“We cannot wait to welcome patients into our dispensary, just this summer there were no dispensaries in the Euclid area,” remarked Miller. “With nearly 400,000 patients in Ohio’s medical marijuana program we are proud to drive improved patient access in the state.”

The much-anticipated Grand Opening and Ribbon-cutting Ceremony will be held at 1:00pm on December 1st. Patients and guests can look forward to an informative experience.

Good River Wellness is located at 27101 Euclid Avenue in Euclid, Ohio, right down the block from Save A Lot. The retail location will be open Thursday to Monday from 10 a.m. to 6 p.m.. Learn more at <https://goodriverwellness.co/>.
